## **DECISION ON PETITION**

This is a decision on the petition filed, September 14, 2006, under 37 CFR 1.137(b) to revive the above-identified application.

The petition is **DISMISSED**.

The rules and statutory provisions governing the operations of the U.S. Patent and Trademark Office require payment of a fee on filing each petition to revive an abandoned application for patent based on unintentional delay or to accept an unintentionally delayed payment of a fee for issuing a patent. In this instance, the fee required by law is \$1,500. If applicant can qualify as a "small entity" and does so prior to or together with the payment of the fee, the fee will be one-half of the amount indicated. See 37 CFR 1.27.

The petition in the above-identified application was accompanied by authorization to charge the Issue, Publication and Petition fees to deposit account number 16-2497 in which there were insufficient funds available for payment of the required fees. No consideration on the merits can be given that petition until the required fees are received.
